

ASX RELEASE: 19 July 2024

Opportunity to Acquire World Class Admiral Bay Zinc Project

Metalicity Limited (“Metalicity” or “the Company”) advises that it has appointed Argonaut PCF Limited (“Argonaut”) to seek indicative offers for its Admiral Bay Zinc Project, located in the Canning Basin, Kimberley Region of Western Australia.

Admiral Bay hosts one of the largest zinc resources in the world, based on existing JORC 2012 compliant mineral resource (170mt @ 7.5% Zn eq)ⁱ.

For further information, please contact Liam Twigger, Deputy Chairman and Executive Director, or Andrew Jenkins, Analyst, of Argonaut on +61 8 9224 6888.

This Announcement is approved by the Board of Metalicity Limited.

Disclaimer and Forward-Looking Statements

This announcement may contain certain “forward-looking statements” which may not have been based solely on historical facts, but rather may be based on the Company’s current expectations about future events and results. Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have reasonable basis. However, forward-looking statements:

(a) are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Company, are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies;

(b) involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward-looking statements. Such risks include, without limitation, resource risk, metals price volatility, currency fluctuations, increased production costs and variances in ore grade or recovery rates from those assumed in mining plans, as well as political and operational risks in the countries and states in which the Company operates or supplies or sells product to, and governmental regulation and judicial outcomes; and

(c) may include, among other things, statements regarding estimates and assumptions in respect of prices, costs, results and capital expenditure, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions.

The words “believe”, “expect”, “anticipate”, “indicate”, “contemplate”, “target”, “plan”, “intends”, “continue”, “budget”, “estimate”, “may”, “will”, “schedule” and similar expressions identify forward-looking statements.

All forward-looking statements contained in this presentation are qualified by the foregoing cautionary statements. Recipients are cautioned that forward-looking statements are not guarantees of future performance and accordingly recipients are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein.

The Company disclaims any intent or obligation to publicly update any forward-looking statements, whether as a result of new information, future events or results or otherwise.

Metalicity confirms that it is not aware of any new information or data that materially affects the information included in the Original Announcement and, in the case of mineral resources that all material assumptions and technical parameters underpinning the minerals resources in the Original Announcement referenced continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Persons’ findings are presented have not been materially modified from the Original Announcement.
